'DONT WE FORGET' It is with deep regret that we remove the name of ALLAN F. YOUNG from our mailing list. Allan, so well known to all the Regiment, passed away recently, following injuries received in a motor accident.

At intervals we hear of Members being in Hospital through sickness or injuries, but generally we receive the news too late to be of any service. Please advise us immediately you have any information of this nature, and we will do our best to provide any comfort or service within our powers.

NEWS AND GOSSIP.

NEWS AND GOSSIP.

Christmas Greetings come from "GELBY" BRAZIER (7) who is Postal Assistant at Armidale, N.S.W.: he can be contacted at the P.O., and will be pleased to see any of his pals.

RON SCANNON (7) has returned to his home town, Beechworth. Married with 3 offsprings.

LAURIE EAGER (7) is in charge of Experimental Farm at Mildura.

On his way through from Taree, N.S.W., HAROLD DICKINSON (7 & 8), who is Manager of National Bank in that town, called to see RALEIGH HAWKINS (7) Manager of N.S.W. at Bairnsdale.

We understand JIM MOYES (8) is now Manager - Commercial Bank, Victoria Park, W.A.

(3).

What secrets did LAURIE HINES (8) tell JOHN PURCELL'S (7 & 8, Typiste when he took time off from painting a certain building in William Street, Melbourne?

ROY WILLIAMS (8) whilst in Tasmania recently called on LAURIE WOOTTON (8) who is farming at Sheffield, and also saw STAN HURST (8) bus driving at Burnie.

JOHN FORBES (8) 2.I.C. Fairfield Infectious Hospital with his Mentor TOM ROBERTS (8 old & bolds) on a trip to the Upper Murray, quaffed an ale with LES MILLER (8) whilst his cows supplied the necessary at Bulloch, close by. Les is President of Tallangatta R.S.L., and guarantees some fish if you are going that way: brother, George (8), is also in the "dough" at Charleroi.

TED PILFOOT (R.H.Q.) was embraced by them at Corryong; Ted is the School Bus and Taxi Man. NORM KLIPPEL (7) is saw-milling at Shelley. KEITH BUTLER (8) is Head Teacher of the Primary at Corryong, and is keen R.S.L. man; he also promises to disclose good fishing spots in the Mountain Streams.

Others in the Education Department, LES HARRIS (7), District Inspector Bendigo. BOB FRANKLING (7) D.I., Beechworth. ALLAN MIDDLETON (8) Head Teacher, Redan.

Congratulations to BOB PHILLIPS (8) on his appointment as Assistant Director General of Civil Aviation.

It would have to be LEN MORGAN (8) who would own car numbered GDD.000. He is not the Chief Commissioner of Heathcote.

DICK HAPPY (8), recently visiting Melbourne, had the doubtful pleasure of his old time mate BILL KERR (8) from Toora, calling him out in Adelaide.

KEN RUSSELL (7) is doing well on a Soldier Settlement block at Boolarra, with a family growing around him.

JASPER COGHLAN (9) has promised a tasty drop of "Ballarat Bertie" for the Re-Union.

That villain TOM TOOTEIL (R.H.Q. & 7) took your Secretary for a ride. Tom advised that he would not be available for organising refreshments at the Re-Union; seeing the tragic effect this had on the Sec., he relented and said it was only his April joke.

Trusting you will be able to attend the Re-Union on the 24th April, and to march on the 25th.

Please do not forget that if in your travels you meet up with any of our chaps, drop a line and let us know so as we can pass on the News.

For and on behalf of the Committee -

N.C. HAINES.

HONORARY SECRETARY.
